

10 REASONS WHY THE "MY ASL BOOK" SERIES IS THE BEST CURRICULUM CHOICE FOR YOUR ASL PROGRAM

1. Strong instructional support for ASL 1, 2, 3, and 4 courses as offered by most programs
2. Course materials that focus on developing the ability to communicate with Deaf people and to celebrate Deaf communities and cultures
3. A complete independently-managed online language lab with 350+ videos
4. 2,600 detailed photos to help students correctly produce ASL signs
5. A fascinating six-segment history of Deaf America in English AND ASL versions
6. Over 30 examples of ASL storytelling including Deaf jokes, life stories and fairy tales
7. Special features such as Fingerspelling Finesse, Linguistic Illuminations, Deaf Mythbusters, ASL in Your Face (NMMs), Ask Miss ASLeY (Rules of Social Interaction), Signs from the Real World, and many other captivating features
8. Deaf-positive chapter themes such as Celebrating Deaf People, Visiting the Deaf World, Deaf People Have Two Families, Becoming a Hearing Ally to the Deaf Community, and many other positive themes
9. A huge collection of teaching resources including Power Point presentations, teacher toolkits and handouts, syllabi, chapter tests, midterms and finals, and many others
10. A highly-diverse variety of signing models with over 57% from various minorities
